## **Mike Wheelers Date Diary (TEASER)**

Mike Wheelers Diary Entry Febuary,12,19,1985 So me and Eleven have been progressing lately, but Jim is not happy I have a constant feeling that makes me feel like he wants to murder me, and he is cheif after all he could cover it all up. We still are staying together though, i am quite disrespectful to him, why should i care though, I will kiss her if I want to kiss her, i will call her if i want to call her and i will go out with her if i want to go out with her. I think Hopper is WAY to overprotective towards her, its just two teenagers dating eachother nothing thats so terrible that he needs to force her to keep the door three inches, I hate him so much just leave us be.
